## 2020 Sponsor Information

The Manzanita Farmers Market (MFM) hosts Friday evening markets from June through September. MFM vendors make or produce their wares within 100 miles of Manzanita. We expect 1,000 customer visits to the MFM website each week of the farmers market, providing excellent visibility to sponsors this year.

**Sponsor Banner:** Sponsors are highlighted on the annual MFM Sponsor Banner in addition to other sponsor benefits listed on the following page.

The Sponsor Banner is a vinyl banner displayed at each market in the dining area next to the live music, where it is highly visible to ~2000 market visitors per market date for all 15 markets of the summer season from June through September. Banner size is about 9 feet by 3.5 feet.
